

Level 1 Camp – July 21-25, 2008

\$250 / \$200 Early Bird Special

For the younger rider ages 8 and up or for the first time rider. Camp activities will include introduction to Natural Horsemanship on-line ground handling skills and riding lessons, trail rides and hands-on horse related activities such as stall care, feeding, caring of horse and equipment. The campers will have opportunity to learn more about horses by having live demonstrations with experienced farriers, dentists and/or veterinarians. Experienced and concerned personnel will closely supervise each activity. We want the children to learn while having fun! The last day of camp we will have a horse show so that the campers can demonstrate their newfound skills for their parents!

Camp begins at 9:00 AM and concludes at 1:00 PM. Campers should bring a daily snack and drink (plenty of water!). Time will be allotted for drinks and a snack; the campers will have lunch at home. Riding boots are required and they should bring their riding helmet if they have one (if not, one will be provided). Long pants must be worn during riding despite the heat, however, we will have opportunity for swimming so towels and swimwear and/or a change of clothes (shorts) should be packed as well.

Camp registration is limited so please sign up early!

Camp hours are rain or shine so come prepared!

50% deposit due with the registration form; Balance is payable the first day of camp.

Deposits must be received by June 1st in order to get the Early Bird Special. NO EXCEPTIONS. Please make checks payable to KINDRED SPIRITS FARM. Once your deposit and registration form is received, a detailed information packet about your camp will be mailed to you.
