

Level II Camp – July 7-11, 2008

\$250 / \$200 Early Bird Special

A more advanced camp with the Level I camp as a pre-requisite unless pre-approved by Kindred Spirits Farm. This camp will put more emphasis on Natural Horsemanship and challenge students to take their Horsemanship to new heights. Horses are complex creatures and this will be instilled through different riding drills and lessons. Your child's age is not a factor, as much as the amount of experience they have accumulated with horses!

Camp begins at 9:00 AM and concludes at 1:00 PM. Campers should bring a daily snack and drink (plenty of water!). Time will be allotted for drinks and a snack; the campers will have lunch at home. Riding boots are required and they should bring their riding helmet if they have one (if not, one will be provided). Long pants must be worn during riding despite the heat, however, we will have opportunity for swimming so towels and swimwear and/or a change of clothes (shorts) should be packed as well.

Camp registration is limited so please sign up early!

Camp hours are rain or shine so come prepared!

50% deposit due with the registration form; Balance is payable the first day of camp.

Deposits must be received by June 1st in order to get the Early Bird Special. NO EXCEPTIONS. Please make checks payable to KINDRED SPIRITS FARM. Once your deposit and registration form is received, a detailed information packet about your camp will be mailed to you.
